

## JUSTIN M. RISHER

2138 Cleneay Ave • Norwood, Ohio 45212  
Phone 812/480-0251 • justin.risher@me.com

### OBJECTIVE

To obtain a full time position with an inspiring company to contribute technology driven creativity and construction knowledge to exclusive predicaments to further my professional career.

### EDUCATION & CERTIFICATIONS

**Construction Document Technologist Certification**, Sarasota, FL, April 2014.

**Savannah College of Art and Design**, Savannah, GA, Master of Architecture, GPA: 3.72, June 2012.

**Southern Illinois University – Carbondale**, Carbondale, IL, B.S. Architectural Studies, GPA: 3.140, May 2009.

**Vincennes University**, Vincennes, IN, A.S. Architectural Studies, GPA: 3.522, May 2007.

### WORK EXPERIENCE

**BHDP Architecture**, Cincinnati, Ohio, February 2016 - current.

Enriched the workplace market of Cincinnati, Ohio by working as an Intern Architect. Developed exciting floor plans for Fortune 500 companies and other corporate environments. Processed requests for information, submittals, and other construction administrative tasks.

**Apple - Retail Store**, University Town Center, Sarasota, Florida, August 2015 - February 2016.

As a part time Sales Specialist, I have helped create the energy and excitement of future and current customers by providing solutions and getting products into customers' hands. Working with a team and offering quick solutions, I have swiftly gained respect by other employees and management. Being invited into a select group of employees, I have the responsibility of making sure that the physical store is organized and presentable in great detail.

**WBRC Architects Engineers**, Lakewood Ranch, Florida, April 2013 - February 2016.

Project lead to a diverse group of commercial and healthcare projects using current versions of AutoCAD and Revit. Healthcare projects include Memory Care and Assisted Living facilities, as well as numerous projects for local hospitals and mental health facilities. Hospital projects include surgical ORs, hyperbaric procedures, and extended stay mental health units. Managed multiple million dollar projects at all stages of construction and design. Assisted with making important construction decisions on the job site and in the office.

**True Design Studios**, Jacksonville, Florida, July 2012 - March 2013.

Enriched the housing market of Jacksonville, Florida by working as an architectural intern. Developed exciting graphics for home builders and clients using Photoshop and 3Dstudio Max. Converted schematic designs of homes to construction documents using AutoCAD Architecture and BIM software.

**CountryMark**, Mount Vernon, Indiana, May 2009 – August 2010; December 2008 - January 2009.

Supported the Information Technology Department. Converted workgroup computers to Windows 7, supervised other college interns on converting workgroup computers, and managed all employees with work schedules to obtain proper Windows 7 training. Worked with Microsoft Dynamics in form generation and data entry.

**Southern Illinois University**, Carbondale, Illinois, August 2008 - May 2009.

Worked for University Housing as a Resident Assistant in Mae Smith Hall assisting residents on an architectural emphasis floor. Assisted in resolving roommate conflicts, confronted violators of the University Housing guide book, and strived to develop a living learning environment.
